

*And he sent them to preach the kingdom of God, and to heal the sick*

*Luke 9:2*

**Dear Praying Friends,**

**April-June 2010**

We thank all of you for your faithful support and prayers as we continue on the trail of deputation. We thank you so much for the investment you have been making in our family to take the Gospel to the people of Uganda, East Africa!

We now have 56% percent of our needed support, and continue to be blessed with a full schedule through September. We have had meetings with some great missions-minded churches, and we pray for an early 2011 departure to Uganda.

**Praises:** I have applied to and have been accepted by two organizations that will help provide us with medical equipment and supplies. These can be ordered and delivered to us to pack in our container. I will be applying to several other organizations in this country to do the same.

We were also fortunate to be at our home church in April for our annual Missions Conference. We were so blessed and spoiled by all at Temple Baptist Church! Thank you so much!

Elena traveled back to her native Philippines in April to attend the funeral of her father. Although he was a believer, there were many in attendance that were not. One relative, at the right, was very interested in her spiritual need and Elena was able to lead her to Christ! We rejoice and praise the Lord for another soul now on her way to heaven!

**Prayer Requests:**

- Safety on the road as we travel.
- Salvation for my father and brother: Karl and Mark.
- For souls saved and decisions made while we continue on deputation.
- Spiritual growth for our family.
- Acquisition of needed medical equipment and supplies.
- For the Lord to guide us to the right churches for future meetings and support.

**Romans 12:1** "...that ye present your bodies a living sacrifice, holy, acceptable unto God, *which is your reasonable service.*" Please pray that we could maintain, by God's grace, such a testimony.
