

And he sent them to preach the kingdom of God, and to heal the sick

Luke 9:2

Dear Praying Friends,

March 2011

On June 6th, 1944 Allied forces came ashore in Normandy, France to liberate the country from the occupying forces of Germany using more than 5,000 ships and 13,000 aircraft. On June 6th, 2011 we shall depart to Uganda to do our part in the liberation of souls of the Ugandan people, but our only weapon will be the word of God: the Gospel of our Lord Jesus Christ.

We now have 96% percent of our support, and have purchased **tickets for our departure June 6th to Uganda, East Africa!** We thank the Lord for His mercy in keeping us safe during the 90,565 miles we have traveled, and we thank all of you, our partners in Christ, for your faithful prayers and support that have taken us this far!

Praise: We presently have a forty-foot container sitting in our driveway ready to be loaded with our household goods and medical supplies. While obtaining this container I asked the owner the cost of purchasing it. He looked down briefly, and then up again, and said it was "no charge." He said he felt it was his obligation to the Lord in helping missionaries get their possessions to the field. How we were thrilled by this godly man's unexpected assistance! We also were blessed by the ministries of Antioch Baptist Church in NC to transport the container from SC to our home in VA, at no extra charge! The Lord has been so very good to us!

Answered Prayer: We also thank the Lord Jesus for our finding and purchasing the mini C-arm x-ray and lab machine we have been praying for! This and other medical equipment will be loaded up this month to be shipped with our other supplies in our container to Uganda.

Prayer Requests:

- * Salvation for my father and brother: Karl and Mark Sutphen.
- * Safe and efficient passage of our container: Virginia to Soroti, Uganda.
- * To be an effective witness and testimony to the Ugandan people.
- * Language study preparation: the correct teacher, materials, etc.
- * To receive our remaining support in a timely manner.

Elena and I thank you again for your faithfulness as we draw ever closer to our departure to the country and people of Uganda, East Africa!
